

Personal PA® 377

Large-Area Listening System

[the industry standard in hearing assistance]

The Personal PA® 377 ensures people in your facility receive direct, clear communication of your message. Push-button menu controls make the system easy to set up and use. With professional sound features and an operating range of up to 1000 feet, the PPA 377 is ideal for large venues where superior coverage is essential. This complete turnkey solution includes four NEW PPA Select™ receivers (PPA R37), each featuring seek-button channel selection with access to 17 pre-set wideband frequencies between 72-76 MHz. The system is expandable, accommodating any number of listeners. The PPA 377 meets ADA (Americans with Disabilities Act) accessibility requirements and is covered by an industry-leading 5-year warranty.*

**90 days on accessories.*

DISCLAIMER: FCC rules limit use of this equipment to auditory assistance.
